After six months in New York, Lord Edward returns to London only for his old sparring partner, Verity Browne, to convince him to investigate a murder in Madrid. Her lover, David Griffith-Jones, has been convicted for the murder of a fellow Communist Party member and is set to face a firing squad. Against all odds, Edward clears David's name and heads back to England. Here, Edward discovers another murder, surprisingly connected to the murder back in Spain. And it isn't too long before a third mysterious murder comes to light. Edward and Verity join forces once again in search of the truth. But danger is all around them, and there is no guarantee that justice will be served and the murders avenged.
