Soul Mate Publishing, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A history professor in a tweed jacket, a cheeky Goth chick, and a pipe-smoking, book-hurling ghost. Put them all together in an antiquated library and, well. Professor Jack Wood s silver-streaked hair definitely ages him, and he can thank Killer Dawn for that. He won t be falling into the love trap again anytime real soon. But this new librarian has him curious, with her head-to-toe black Goth garb, piercings, and a defiant attitude to match. Definitely not his type of girl, but still. Abigail Stryker s got her work cut out for her. The last two librarians didn t last a month before airborne books chased them off. But Abby s determined to make her new life a go-and to stay as far away from older men as possible. Once was enough. Might be tough to do when the library s best patron is none other than dreamy-eyed Jack Wood. And it seems the eccentric ghost may have taken a shine to her as well.
