

Fast Facts: Acute Coronary Syndromes

By Paul A Gurbel, Udaya S Tantry, Kurt Huber

Health Press Limited, United Kingdom, 2014. Paperback. Book Condition: New. 2nd Revised edition. 208 x 148 mm. Language: N/A. Brand New Book. All patients arriving at hospital with chest pain suggestive of myocardial ischemia require an immediate 12-lead ECG and medical assessment. Management will depend on the type of acute coronary syndrome (ACS) diagnosed. Fast Facts: Acute Coronary Syndromes is an international evidence-based primer that focuses on optimizing patient outcomes via accurate initial diagnosis, appropriate risk stratification and proper therapeutic decision-making in line with both American and European management guidelines. This refreshingly readable handbook simplifies the complexities involved in the care of patients with ACS by: * Familiarizing readers with the common pathophysiology underlying all ACS * Detailing the specifics of clinical assessment (targeted history, symptom-oriented physical exam, electrocardiography, cardiac biomarkers and imaging) * Assisting best practice in ischemic risk stratification and assessment of bleeding risk * Outlining coronary revascularization techniques, reperfusion strategies and preventive measures * Providing an update on potent antithrombotic therapy (antiplatelet agents and anticoagulants) * Clearly explaining the latest developments that are likely to be implemented in the near future. In this fast-changing field it is difficult for healthcare professionals to remain current and virtually impossible...

Reviews

Simply no terms to explain. I am quite late in start reading this one, but better then never. Its been written in an remarkably easy way and is particularly merely soon after i finished reading this book where basically changed me, affect the way i really believe.

-- Prof. Jedediah Kuhic DVM

I just started looking over this ebook. It is actually rally fascinating through reading period of time. You wont really feel monotony at anytime of your time (that's what catalogues are for about when you request me).
