CHUCK NOLL: HIS LIFES WORK

University of Pittsburgh Press. Paperback. Condition: New. 504 pages. Chuck Noll won four Super Bowls and presided over one of the greatest football dynasties in history, the Pittsburgh Steelers of the 70s. Later inducted into the Pro Football Hall of Fame, his achievements as a competitor and a coach are the stuff of legend. But Noll always remained an intensely private and introspective man, never revealing much of himself as a person or as a coach, not even to the players and fans who revered him. Chuck Noll did not need a dramatic public profile to be the catalyst for one of the greatest transformations in sports history. In the nearly four decades before he was hired, the Pittsburgh Steelers were the least successful team in professional football, never winning so much as a division title. After Nolls arrival, his quiet but steely leadership quickly remolded the team into the most accomplished in the history of professional football. And what he built endured well beyond his time with the Steelers who have remained one of Americas great NFL teams, accumulating a total of six Super Bowls, eight AFC championships, and dozens of division titles and playoff berths. In this penetrating biography, based on deep research and hundreds of interviews, Michael MacCambridge takes the measure of the man, painting an intimate portrait of one of the most important figures in American football history. He traces Nolls journey from a Depression-era childhood in Cleveland, where he first played the game in a fully integrated neighborhood league led by an African-American coach and then seriously pursued the sport through high school and college. Eventually, Noll played both defensive and offensive positions professionally for the Browns, before discovering that his true calling was coaching. MacCambridge reveals that Noll secretly struggled with and overcame epilepsy...
