Politics, as many people know, can be quite a dirty business. Because of the many perks that are included with public service, such as fame, power, money, and honor, there are certain politicians that cannot control themselves and give in to the temptations of corruption and greed. Some of the more common scandals that are mentioned in the news have to do with extramarital affairs, excessive use of funds, improper utilization of taxes, and more. But of the many crimes that have been seen in the field of politics, these are the biggest political scandals in history that truly stand out. This item ships from La Vergne, TN. Paperback.
