

US-Iran Relations in International Law since 1979

By Patrick Terry

LIBERTAS-Europäisches Institut Okt 2015, 2015. Buch. Book Condition: Neu. 29x21x cm. Neuware - The Publication Iran is currently celebrating the 30th anniversary of the Islamic Revolution. This event not only heralded enormous changes within Iran itself but also resulted in a clear break with the United States, formerly a close ally. Since 1979 bilateral relations between these two countries have veered from crisis to crisis. Occasionally, however, there have been times where improved US-Iran ties just seemed possible. 2009 might just be such a turning point in this fraught relationship. President Obama's more conciliatory approach to relations with Iran and the upcoming elections in Iran in June - with many hoping a reformist candidate, possibly Moussavi, might be elected - could be the last chance to avoid another, potentially extremely dangerous, confrontation between the two states. Certainly one lesson can be drawn from the bilateral confrontations of the last thirty years: using and threatening to use force has not aided either country in their respective quests to achieve regional and global foreign policy goals. This paper examines US-Iran relations since 1979 under international law aspects, focussing on their most dangerous aspect: the repeated use of force. Despite influential circles in...

Reviews

It is one of the most popular publications. It is actually written in easy words instead of confusing. You will like how the author created this book.
-- Art Gislason

This ebook will be worth buying. It usually fails to charge too much. You will not sense monotony at any time of your time (that's what catalogs are for regarding when you check with me).
