### **Reviews**

*It in one of my personal favorite book. Sure, it is engage in, continue to an amazing and interesting literature. I am quickly could possibly get a enjoyment of looking at a published book.*

*(Wellington Rosenbaum)*

## TOMMY: THE GUN THAT CHANGED AMERICA (PAPERBACK)

Square Fish, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The fascinating and topical nonfiction story of how one gun changed American courtrooms, streets, and homes, told for a YA audience by award-winning author Karen Blumenthal John Taliaferro Thompson had a mission: to develop a lightweight, fast-firing weapon that would help Americans win on the battlefield. His Thompson submachine gun could deliver a hundred bullets in a matter of seconds--but didn't find a market in the U.S. military. Instead, the Tommy gun became the weapon of choice for a generation of bootleggers and bank-robbing outlaws, and became a deadly American icon. Following a bloody decade--and eighty years before the mass shootings of our own time--Congress moved to take this weapon off the streets, igniting a national debate about gun control. Critically-acclaimed author Karen Blumenthal, author of *Bootleg: Murder, Moonshine, and the Lawless Years of Prohibition*, *Hillary Rodham Clinton: A Woman Living History*, and *Six Days in October: The Stock Market Crash of 1929*, reveals the fascinating illustrated story of this famous and deadly weapon--of the lives it changed, the debate it sparked, and the unprecedented response it inspired in *Tommy: The Gun That Changed America*. Praise for *Tommy: The Gun that Changed America*: The Thompson rapid-firing submachine gun is the crux of Blumenthal's accessible social history, which encompasses military weaponry, gangster warfare, and gun-control legislation. . . . Engrossing and grisly. --Publishers Weekly, starred review Blumenthal's fascinating biography of the weapon is most dramatic in its chapters on the famous gangsters. . . . Lively prose, well-selected photographs, and thorough source notes round out this fine work. A gripping look at guns, gangsters, and finding the right balance between individual freedoms and community safety. --Kirkus Reviews, starred review.
