Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Can you believe that God made animals starting with every single letter of the alphabet? Well, He did! And in this book, your child will be able to color each one of those animals while he or she learns more about the greatness of God. The book goes through every letter of the alphabet, giving descriptions of God or things we can thank Him for - in language children understand. And while learning more about God, your child can have fun coloring the animals and scenes that accompany each letter. Author Barbara Kois is the mother of three grown children and she has written eight books. This is one of her favorites because it is so much fun to enjoy God because of who He is - and think about all the wonderful things He made for us to enjoy in our world - including animals from A to Z! The first book in this series, The ABCs of Praise and Prayer, has received 42 reviews with a rating of 4.7 out of 5 stars, like these: I don t know of a better or more beautiful way to practice praising the Lord. I will use it in my Sunday school classes for the benefit of the children.
