Reviews

Completely among the finest pdf I actually have ever read through. it was actually writtern extremely completely and beneficial. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Santos Metz)

A PRACTICAL TABULAR SUMMARY OF FRENCH PRONUNCIATION: APPLIED TO THE ANALYSIS OF ALL THE SOUNDS OCCURRING IN FRENCH WORDS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Practical Tabular Summary of French Pronunciation: Applied to the Analysis of All the Sounds Occurring in French Words We claim, in this small work, to have reduced all the sounds that occur in French to ten comprehensive Tables, each of which, by their application to words, will enable the student to overcome several difficulties without memorizing absolute rules. The sounds of French words are not illustrated until the learner has become familiar with the same in their most simple forms. Instead, therefore, of giving a series of words after each sound, one general exercise is placed after the Tables all the words of this exercise being analyzed, in reference to the vowel-sounds and consonants. It will be seen that, owing to this method, the student can easily ascertain the pronunciation of a French word without the help of a teacher. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
