Cornerstone. Paperback. Book Condition: new. BRAND NEW, The Queen's Husband: (Queen Victoria), Jean Plaidy, From the time they were in their cradles, Victoria and Albert were destined for each other. However, the passive Albert is well aware that marriage to a quick-tempered, demonstrative young woman like Victoria could result in unnecessary scenes and stormy court feuds. And he is right. The young Queen, as well as having to endure her constant pregnancies, is in perpetual revolt against any encroachment on her position - and Albert is doing just that. Despite attempts on her life and crises like the Crimean War and the Indian Mutiny, her family - Albert and their nine children - is her prime concern. The Victorian age is truly under way - but the real power behind the throne was the queen's husband.
