

## Living the 10 Retiremyths: An Unconventional Journey in Retirement Planning (Paperback)

By Judy Ann Michael

BookBaby, 2017. Paperback. Condition: New. Language: English . Brand New Book. What s a RetireMyth? It s a belief you might hold about life after retirement, only to find out once the party s over that it s not at all what you expected. If you thought you could keep working, win the lottery, depend on your children to support you, or live your current lifestyle on Social Security, you just might be a victim of the RetireMyth. If that s the case, this book was written for you. Over an intense three-year period, Judy Ann Michael watched her career dissolve (taking her six-figure salary with it), lived in a retirement center to help her aging father through an illness, and took a much-needed Pre-Retirement Timeout to re-assess her future. She used her time off to rest, but also took a hard look at her future and what would be required of her, both personally and financially. Like many Baby Boomers and Gen-Xer s facing retirement, she felt uncertain about her financial future. After a failed attempt at starting an internet training business and facing brick walls as she applied for over 75 jobs, Ms. Michael experienced how difficult it...
