Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Collected Poems and Other Verse, Stephane Mallarme, 'sense too definite cancels your indistinct literature' Stephane Mallarme was the most radically innovative of nineteenth-century poets. His writings, with their richly sensuous texture and air of slyly intangible mystery, perplexed or outraged many early readers; yet no writer has more profoundly influenced the course of modern poetry - in English as well as in French. In both form and content, his poems created new ways of conveying existential doubt, fragmentation, and discontinuity. This is the fullest collection of Mallarme's poetry ever published in English, and the only edition in any language that presents his Poesies in the last arrangement known to have been approved by the author. Apart from verse, it includes all the prose poems and the unique, unclassifiable *Un Coup de des*. (A Dice Throw.). The lucid, wide-ranging introduction and invaluable notes help an understanding of this astonishing poet's work. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
