But a new life soon beckons when she is offered a position in Scotland renovating a remote Highland sporting lodge and relaunching the hunting fishing business it once supported. Thanks to her considerable organisational skills business acumen she transforms the moribund estate, Fydhie - owned by City financier Anthony Barron, who she later marries - into a thriving enterprise. She settles into a comfortable life set against a spectacular Highland backdrop. But there is a restless, and reckless, side to her character which balks at the prospect of domestic bliss. Dabbling in her new husband s business interests, she begins to lead a double life commuting between Scotland, London and Paris. Will the lure of her previous life on the edge prove irresistible, or will she give up the ghost of the past once again embrace the charming delights of her beloved Fydhie?.
