The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

LISTENING FOR GOD S VOICE: A DISCIPLESHIP GUIDE TO A CLOSER WALK (PAPERBACK)

Jesuswalk Publications, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. God can get anyone s attention by shouting. For example, on the road to Damascus, a loud voice and a bright light turned his arch enemy into a disciple. But most of the time, God prefers to speak in a softer voice, one that we can miss if we re not listening carefully. This study is designed to provide both scriptural underpinnings and practical help to assist disciples in listening for God s voice, which is usually experienced as a strong impression in a believer s mind and spirit. The goal is to help you become aware both of words he might speak to you, as well as his promptings or nudges. The author begins by exploring how Jesus listened to the Father and becomes an example in this for his disciples. Elijah s still small voice is the spring board to examine God s voice in words and sentences. Next, incidents in the Book of Acts are analyzed to understand how God often leads in promptings and the simple word, No. Samuel s words, Speak, Lord, for your servant is listening, provide a glimpse into the heart preparation necessary to respond appropriately to God s voice. Finally, we examine how Gideon s fleece served to confirm God s leadings, as we seek to discern his voice from the competing voices of the world, the flesh, and the devil - as well as one s own conscience. Since developing such a sensitivity to God s voice is a learned skill or art, not mastery of some body of content, this study provides practical assignments designed to help move you a place where you actually hear and respond to God s voice. Necessary elements...
