McFarland Co Inc, United States, 2001. Paperback. Condition: New. 2nd Revised ed.. Language: English . Brand New Book. In 1967, Jim Harmon published the first edition of The Great Radio Heroes to great acclaim. Thirty-three years later comes an illustrated, corrected, revised and greatly expanded new edition. Once there was a time--and it was not so long ago--when radio listening, especially to the dramas, was one of the most important events in many a young person's life. People developed a love affair with the radio, and though the old times are now gone forever, the love affair continues. The heroes and settings of radio drama spurred the imagination to supply its own and much better images than visual media provided. There were no padded shoulders on the Lone Ranger, Superman flew with no jiggy trick photography, and the Martians whom Orson Welles helped attack the Earth were more convincing than anything the movies can provide. For those who have been under the thrall of radio's alluring call, your new host Jim Harmon provides reminiscences of the heyday of radio programming, with insights on such radio dramas as I Love a Mystery, Gangbusters, The Shadow, Inner Sanctum, Batman and Robin, Superman, Tom Mix, The Lone Ranger, The Green Hornet, Adventures by Morse and a couple of dozen more. Photographs, a bibliography, and an index are included to enhance the reader's journey into a past time when radio was the favorite pastime.
