SEA OTTERS: SEAFARERS OF THE WEASEL FAMILY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sea otters are cute looking, furry brown floatable and heavy species of otter. They are said to be able to float on water all day that even without having to go on land, they can survive. They are the smallest marine mammals and they belong to the weasel family. In this book you will learn many amazing facts about the sea otter. You will learn their peculiar physical features. You will know why they have very thick fur and why they need to groom themselves regularly. You will learn what they eat and what they drink. It is amazing how they can drink the ocean's salty water. This book will tell you how. How do sea otters get their food? Do they use tools for hunting? Are they social animals? How do they take care of their young? Why do female otters' noses bleed during the mating season? Who are their predators? What is a sea otter raft? Who are their nearest relatives? These questions and more will all be answered in this book. This book also comes with more than 20 colorful photos of the sea otter in its natural habitat. The mental picture drawn in our minds will help us better understand them.
