

## Jacob Henry Schiff: A Biographical Sketch (Classic Reprint)

By Cyrus Adler

Forgotten Books. Paperback. Condition: New. 78 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Biographical Sketch | Jacob H. Schiff was known in all parts of the American continent, in every country of Europe, in Palestine, in Japan, in fact throughout the civilized world. Vaguely he was considered as the combination of a great financier and a great philanthropist, but in neither capacity had the extent of his deeds been brought home to any considerable proportion of the vast numbers to whom his name was familiar. What manner of man was this who, of no ruling family or exalted official station, so impressed himself upon the imagination of people in many climes and in all conditions of life To answer this question is well nigh impossible in a brief sketch. And yet the attempt should be made, for mankind is enriched by the story of great personalities, and future generations are stimulated to high deeds by the knowledge of the acts of those who have gone before.
