Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.E. L. Glenn, takes you on an intriguing journey through a reality that contains multiple, parallel universes. Though there are uncountable universes, there is only one Nexus Universe. The progenitor universe from which all the others have originated from. Those within the Nexus Universe have the ability to enter any of the others. The Nexus Universe has a problem though, a man named Hessler, who embodies the Antithesis spirit, has made it his quest to conquer not only the Nexus Universe, but the other parallel universes as well. To achieve this, Hessler has been using an army comprised of men and orcs, numbering a million. Hessler must also attain the Crystal Sword , an incredible source of power. The Crystal Sword had been hidden in the caverns of one of the kingdoms of the dwarves. Protecting it are wizards, men, elves and the dwarves themselves. They cannot use the Sword , only one embodied with either the Antithesis spirit, or the Sovereign Spirit can, and the one embodied with the Sovereign spirit, is in another universe. They must find him in the hope of stopping Hessler. Mariah, a searcher in the caverns, has found the prophecy that will lead them to the universe that the Sovereign is in. Taking it to the seekers, Mariah is informed that she must be the one to enter the Sovereigns universe and bring him to them. There isn t much time and they have no idea what the Sovereign will be like, but he is their only hope. Hessler and his orc army, are almost upon them.
