Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Special Exhibition of Ancient Chinese Buddhist Paintings, Lent Whether the former be the primitive state of Buddhism, as some scholars assert. Is rather a matter for historians than for the student of oriental culture. Their procedure would be analogous to that of an Asiatic student of Christianity who, having ascertained from meagre documents the condition of the Church in its first century, should thereupon disregard the wealth and power of its subsequent evolution, its part in European history, its capacity for adaptation to the infinite needs of humanity, as so much spurious perversion and accumulation. Christianity and Buddhism as well are all that they have become. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
