

Clay So Cute! (Paperback)

Filesize: 4.08 MB

Reviews

Good e-book and helpful one. It can be written in basic phrases rather than confusing. I realized this ebook from my i and dad recommended this book to find out.

Watson-Guptill Publications, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. Specifically designed with the tween (8-12-year-old) girl in mind, Clay So Cute! shows how one of the easiest mediums - polymer clay, which need only be baked in the oven - can be sculpted into quick, simple, totally fun jewellery and accessories. This will be an instant success with girls (and their mothers and grandmothers) looking for projects that are more sophisticated than kid stuff , but trendier and more age-appropriate than the pieces in adult clay books. Using only simple, step-by-step illustrated techniques, few tools and updated colours readers can make tween-friendly projects. These include like mini-cupcake charms, polka-dot ponytail holders, Japanese-style animals and a wide assortment of necklaces, bracelets and earrings.
