Emerald Lake Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Ever feel like something is too hard? Or that it would be a lot easier to quit than try to work through it? Everyone at one time has thought Forget it! That s too hard. What Doesn t Kill You. The Headache from Hell and A Relentless Search For Healing is the true account of Danny Friedman a successful businessman, husband and father driven nearly insane as his life spiraled downward from debilitating pain. Follow Danny s 21/2-year journey battling the ever-confusing and often uncaring healthcare system, as he struggled to regain the life he once had. Through perseverance and his commitment to find a solution, Danny successfully overcomes this horrendous ordeal by taking matters into his own hands and becoming his biggest advocate in the search for healing. It is the author s hope that this book will inspire people to cherish each day and never give up. As long as you have people that you love and who love you, there s nothing you can t do. Danny Friedman is an unstoppable powerhouse of positivity who found himself suddenly.stopped. Between the pages of this book, his journey of anguish, perseverance, and even (maybe especially) laughter will become a palpable guidepost for you on how to break through the biggest obstacles in your life head first (minus the ache).
