Balboa Press, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The truth of life is within. You've always known that, searching for the key to the future. Let your giggly tots take the lead. Think like a kid pretending you are an intergalactic star. How to travel far without leaving home. How to nourish your child on many levels. At last, good news for parents of intuitive children! Flying Free is a fast and fun meditation journey to take your child away from the mundane world back home into his or her own precious secret imagination. Flying Free doesn't have a normal straight storyline. It rather gives the children hints and tints of something they already know, seeds of creativity. Please encourage your children to make their own illustrations with paint, stickers and stars. The children can sing, dance, act or draw using this as their inspiration and guide. The book is made up of poems written by Mummakay and Tahlia, inspired by the New Blue Planet, lovingly illustrated in montage by the author Mummakay and her friend Stuart Blatchly, with the characters designed by Helena Brewer. Production by Paola Possenti. The Fairy-Aurora is a Light Being as are the Light Rays who twinkle and glow travelling at the speed of light. The magic and the game are anything you can imagine. With the poems and illustrations we are stimulating the child's imagination and inner knowledge, right side of the brain. Cracking the Code engages the left side of the brain as well to create the balance. Hieroglyphics like codes use the power of making symbols to convey another meaning, connecting an early experience with the ancient Egyptian civilization. The New Blue Planet S...
