Reviews

This pdf will not be straightforward to get started on studying but really exciting to read. It absolutely was written really perfectly and useful. I am just very happy to tell you that this is basically the finest publication I actually have studied during my personal daily life and may be the finest ebook for ever.

Hodder Education. Paperback. Book Condition: new. BRAND NEW, OCR Medicine and Health Through Time: An SHP Development Study, Paul Smith, Peter Smith, Ian Dawson, Dale Banham, Updated for the revised specification for teaching start 2013, first exam Summer 2015. Help your students learn more effectively with SHP's active learning approach to GCSE History. SHP Smarter History is a comprehensive series of books covering all the Schools History Project GCSE specifications. They combine: - complete coverage of the specification content - step-by-step coaching in exam skills all tackled through SHP's active learning, enquiry-based approach, which makes lesson planning easy, and helps ensure varied pace throughout the course -- essential -- to keep your students motivated over a long period. These books put the fun back into teaching and learning at GCSE but without any compromise -- they still help students achieve the highest grades. At every relevant stage through the book the 'Exam Buster' features help blend exam preparation with historical learning so that by the end of the course students understand not only the period and its issues but also how they will be expected to think and write about this for the examination. This is the best of both worlds from the experts who know what good teaching is about and also know what the SHP specifications are all about. OCR Medicine and Health This title is a course book for students taking the OCR Medicine Development Study. The textbook covers all the relevant requirements of the Development Study and the Public Health Source Investigation for Paper 2. Support: - a comprehensive Teacher's Resource Book provides lesson plans and worksheets - SHP training programme - a national conference plus regional inset -- to support you as you introduce this course in your school - Dynamic Learning resources are available which...
