It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication that I was in fact changed, I changed the way I think.

TURKEYS QUEST FOR EU MEMBERSHIP: RECENT DEVELOPMENTS

Grin Verlag. Paperback. Condition: New. 40 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. Seminar paper from the year 2007 in the subject Politics - International Politics - Topic: European Union, grade: A- (Gut), School of Advanced Internatl. Studies (School of Advanced International Studies (SAIS)), course: Europe and Islam, 15 entries in the bibliography, language: English, abstract: Until the formal opening of accession negotiations on 3 October 2005, the long history of EU-Turkey relations seemed to resemble a never-ending story - to the potential benefit of both sides. While Brussels was able to influence Turkish domestic and foreign policy with instruments of conditionality, reform-oriented currents in Ankara gratefully used this external pressure to modernize the country. But at some point, any enlargement process has to set deadlines, enforce conditions, and draw consequences. Therefore, the start of accession talks represented a positive development in so far as it gave a new stimulus to a process that had started slowing down. However, in November 2006, after Turkey had refused to open its ports and airspace to the Republic of Cyprus, EU-Turkey relations once again deteriorated significantly, leading to Enlargement Commissioner Olli Rehn's much-quoted statement of a train crash scenario. Apart from the Cyprus issue, other developments such as the slowing pace of domestic reforms, the signs of rising of both nationalism and political Islam, and the declining public support for EU membership in Turkey itself (now less than 40) as well as abroad reconfirm that relations between the two are going through a tumultuous phase - which is unlikely to change for the better soon, given that presidential and parliamentary elections are taking place in Turkey in 2007. This paper's goal is to depict and analyze EU-Turkey relations as they have unfolded during the last few years. In order to place recent developments in...
