Special Forces Major Brett Stone is team leader of an elite Presidential A-Team secretly operating from an Army Recruiting Station located in Graham, Washington. His teams primary duty is assassinationsniper and their secondary duty is rescue team. The team known only by a few people is called the Phantom Warriors. They had just finished their first mission which took them to the Amazon Jungle to eliminate a Colombian drug lord and to rescue two American women from his home that the drug lord threaten to kill. They completed their mission successfully and now they train secretly in Graham, Washington while posing as Army Reserve Recruiters. Now Major Stones Phantom Warriors receives their second mission which they must enter into North Korea to once again pull off an escape plan to rescue two American scientists that the North Koreans had kidnapped and are forcing them to create a virus so deadly that the whole planet is in danger. Major Stones Phantom Warriors have to find the scientists once in North Korea and then rescue them. But they unexpectedly come across four little orphan girls that end up going on their mission. When the team finds the scientists they are surprised to also find a South Korea Military Intelligence Officer who had been captured by North Korea and they also find a seventy-six year old United States Marine who still is a POW from the Korean conflict. The team then must make their way out of North Korea but before they leave the country, they have to blowup a research lab; get involved in several armed conflicts, which two team members are wounded, one critical; highjack an Air China airplane; face a North Korean MIG getting ready to shoot them from...
