Reviews

*Complete guide! Its this sort of good read. It is rally exciting through studying period. I am just pleased to explain how here is the very best publication i have go through inside my own existence and could be he very best publication for at any time.
(Adele Rosenbaum)*

THE FINISHING SCHOOL (PAPERBACK)

Harper Paperbacks, 2017. Paperback. Condition: New. Language: English . Brand New Book. In this suspenseful, provocative novel of friendship, secrets, and deceit, a successful writer returns to her elite Swiss boarding school to get to the bottom of a tragic accident that took place while she was a student twenty years earlier. How far would you go to uncover the truth? One spring night in 1998 the beautiful Cressida Strauss plunges from a fourth-floor balcony at the Lycee Internationale Suisse with catastrophic consequences. Loath to draw negative publicity to the school, a bastion of European wealth and glamour, officials quickly dismiss the incident as an accident, but questions remain: Was it a suicide attempt? Or was Cressida pushed? It was no secret that she had a selfish streak and had earned as many enemies as allies in her tenure at the school. For her best friend, scholarship student Kersti Kuusk, the lingering questions surrounding Cressida's fall continue to nag long after she leaves the Lycee. Kersti marries and becomes a bestselling writer, but never stops wondering about Cressida's obsession with the Helvetian Society--a secret club banned years before their arrival at the school--and a pair of its members who were expelled. When Kersti is invited as a guest to the Lycee's 100th Anniversary, she begins probing the cover-up, unearthing a frightening underbelly of lies and abuse at the prestigious establishment. And in one portentous moment, Kersti makes a decision that will connect her to Cressida forever and raise the stakes dangerously high in her own desire to solve the mystery and redeem her past. An unputdownable read as clever as it is compelling, *The Finishing School* offers a riveting glimpse into a privileged, rarefied world in which nothing is as it appears.
