MAKING PEACE WITH HERPES (NEW EDITION) (PAPERBACK)

Green Sun Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Original Holistic Herpes Treatment Guide. First published in 2006, Making Peace with Herpes is now available as an updated and expanded third edition. Making Peace with Herpes is the most thought-provoking and original book ever written on the subject of herpes. Christopher Scipio started off as a victim of the virus and transformed himself into the most experienced holistic practitioner who treats herpes in the world. He is an outspoken advocate of treatment without drug therapy. Christopher Scipio has treated thousands of herpes patients during the past 17 years and has helped them control their herpes and practice safer sex through a combination of dietary changes, yoga, self-hypnosis and custom-tailored herbal remedies that he makes by hand for each person. There is absolutely no need for drug-therapy for herpes. This book isn't just about how to have fewer outbreaks or how to stop having outbreaks; just doing that isn't enough to be healthy. This book is about holistically healing your herpes and living a healthy, happy and balanced life. Holistic health is about much more than making symptoms go away. Making Peace with Herpes is a must read for everyone. Whether you have herpes, are in a relationship with someone with herpes or you just want to educate yourself on the worlds fastest growing pandemic; it's a...
