

Capital Punishment - Leader

By Mabry

Abingdon Press, United States, 2002. Book. Condition: New. Leader s Guide ed.. Language: English . Brand New Book ***** Print on Demand *****.This short-term study comes at a time when there is considerable national debate and commentary on the administration of the death penalty. This study combines Bible study with compelling stories from persons who have been directly affected by capital crimes to help adults form and/or reform their thinking on capital punishment. It looks at various denominational views and nations policies related to the issue, as well as providing several suggested plans for actions. Chapters include: -- What is the death penalty? -- What does the Bible say? What do we learn from the history of Christianity? What guidance do our theological and ethical traditions provide?.

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).
