Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Easing into Patanjali s Yoga Sutras is the fifth book in the growing Easing Into Collection. Previously part of Easing into the Bhagavad Gita and Patanjali s Yoga Sutras, this is a newly edited and updated short introduction, with new responsive poetry. The work features a walk-through the books of the sutra to help define the core meaning of this rich piece of literature. Each chapter poses five questions designed to stimulate group discussion or journal writing, making the work useful in both community settings and for home-based comparative religion study while not overwhelming the curious comparative religion beginner. Ten original poetic responses, turned to the right brained understanding of the scripture round out this offering, creating ready-made invocations or closing words. Books in the series also include Easing into the Dhammapada, Easing into the Gospel of Thomas, and Easing into the Bhagavad Gita.
