

## Real Estate Investing: The Ultimate Beginner's Guide from A-Z of Learning, Planning, Marketing and Executing Real Estate Investing Principles (Paperback)

By MR Alex Johnson

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When it comes to reliable investment opportunities that are still open to the common man, there are few better places to look than real estate. With a few notable exceptions, real estate is almost always the best choice when it comes to low volatility investments that still manage to generate, at worst, an average return on investment and if you are interested in learning the core principles behind successfully investing in real estate then Real Estate Investing: The Ultimate Beginner's Guide from A-Z of Learning, Planning, Marketing and Executing Real Estate Investment Principles is the book that you have been waiting for. Inside you will learn not just the basics behind successfully investing in real estate but also the fundamentals such as learning about new markets as effectively as possible and making an investment plan that you are sure is going to be as effective as you hope it should be. What's more you will learn how to let the rubber meet the road when it comes to executing what you have learned effectively and then how to...
