

Ellies Log: Exploring the Forest Where the Great Tree Fell

By Judith L. Li

Oregon State University Press. Paperback. Book Condition: New. M. L. Herring (illustrator). Paperback. 112 pages. Dimensions: 9.4in. x 6.9in. x 0.5in. After a huge tree crashes to the ground during a winter storm, ten-year-old Ellie and her new friend, Ricky, explore the forest where Ellie lives. Together, they learn how trees provide habitat for plants and animals high in the forest canopy, down among mossy old logs, and deep in the pools of a stream. The plants, insects, birds, and mammals they discover come to life in colored pen-and-ink drawings. An engaging blend of science and storytelling, *Ellies Log* also features: Pages from Ellie's own field notebook, which provide a model for recording observations in nature; Ellie's advice to readers for keeping a field notebook; Ellie's book recommendations; Online resources for readers and teachers including a Teachers Guide are available at ellieslog.org. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
