Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Life Coaching: Essential Questions And Activities For Your Professional Life and Business Coaching And Certified Career Consulting Business Life coaching is a future-centric approach used to help people improve their lives. This is usually done through the establishment and achievement of personal as well as professional goals. Even though this career life coach or business coach may resemble the functions of a psychiatrist or a psychologist, life coaching is different. Life coaches don t look back on the past of their clients, and they merely evaluate areas in which the client may improve and provide advice on how they can improve. Are you ready to become a coach? This is the ultimate guide to becoming a life coach! Many of us are excited about setting our life goals, especially at the beginning of the year, only to be disappointed because we have failed to achieve them because we have stopped working on them at the middle of the year. There s no way we can predict the challenges that we will face in our lives, and usually our priorities will change as we go on. However, these things should not keep you from pursuing happiness and fulfillment in your life. A life coach can help someone to get back on track and continue working on achieving his life goals. Life coaching is an amazing career and business opportunity, surprisingly rewarding, and could be really profitable. If you have what it takes to become a life coach, be sure to read this book to help you in your journey to this wonderful career. This book contains essential lessons on how you can pursue life and business coaching as a powerful career and...
