**BOY LIFE SERIES (CLASSIC REPRINT) (PAPERBACK)**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Boy Life Series This series of studies is an attempt to place at the disposal of workers with boys some of the results of modern psychological thought and research. An effort has also been made to apply the observations and experience of psychologists to work with boys. Two schools of psychology have been drawn upon for most of the subject matter -the bio-genetic and the abnormal, particularly the psycho-analysts of the Freudian persuasion. I hope this will not provoke controversy. I believe that at least some of the methods of the Freudian psycho analysts are directly applicable to boys work situations. The experience of a number of men reinforces this opinion. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
