ANNA OF SAXONY: SCANDAL OF COURT AND CANVAS

[DOWNLOAD](#)

Winged Hussar Publishing. Paperback. Condition: New. 325 pages. Anna of Saxony (1544-77), the second wife of William of Orange, set Europes noble courts ablaze with one of the sixteenth centurys most sensational scandals. The narrative follows young Anna from an unhappy girlhood in Dresden, Germany, to married life in the Low Countries and Cologne, where she embarks on a love affair with one of the ages great painters and gives birth to an illegitimate child. The princesss dramatic tale concludes with her descent into madness and subsequent death in solitary confinement. Anna of Saxony is not merely a gothic tale of a poor little rich girl who loses her heart and then her mind. It is also the story of the Dutch Revolt against the Spanish amidst the backdrop of the Protestant Reformation. Several chapters of my biography are therefore devoted to Williams military and intelligence tactics, his monumental efforts to repel the foreign occupiers as well as his eventual assassination by a Spanish agent. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
