## BEING MINDFUL: LIVING IN THE NOW (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. If you can observe your thoughts, who exactly is doing the observing? It is not the I that has a name and a life history -- your egoic self. This simple question is at the centre of the great religions and spiritual traditions in the world. Mindfulness in the Buddhist tradition is one source of answers. Beyond the spiritual benefits, there are numerous health benefits for the mindfulness practitioner. It is showing good results in helping with depression, substance abuse, eating disorders, relationship conflicts, anxiety disorders, and obsessive-compulsive disorder. The techniques outlined in this concise, plain-language eBook are easy to understand. You have nothing lose and everything to gain by learning this ancient healing technique to help you towards a happier, healthier life.
