

Facing the Active Shooter: 2018 Update Edition (Paperback)

By Cr Williams

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. For the individual armed citizen, an Active Shooter situation is the prototypical Black Swan event: Low probability but very high impact if it happens when and where you are. And in the wake of recent reported shootings it can and has been a very worrisome situation for any such concerned defender. What can you do to prepare yourself to deal with such a thing? What are your options when face with such a horrific attack? What do you need to know and what do you need to do? This is an attempt to provide not specific answers to detailed situations, but a series of guidelines and suggestions that can be considered and used by anyone without specialized knowledge or training to prepare their own answers and their own approach to this test. It attempts to gather, organize, and outline a framework around which specifics can be built according to the ability, knowledge, and experience of the individual builder. It is a compilation of ideas from many gathered from many places and many people. It not the answer itself, but an attempt...
