Approved Document B: Fire Safety: (Buildings Other Than Dwellinghouses): Incorporating Insurers Requirements for Property Protection Volume 2 (Paperback)

By Fire Protection Association, Risk Insight Strategy and Control Authority

RIBA Publishing, United Kingdom, 2015. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. This guide, essentially an enhanced version of Approved Document B (Volume 2), offers extra insurer-friendly technical guidance for construction professionals about how to protect commercial buildings from fire beyond the building regulations critical life safety measures. With the cost of major fires costing the British economy over GBP7 billion a year and high rates of consequent business failure, property protection is a key business objective for construction clients and their insurers, who will value appropriate measures that are designed in rather than added on as an afterthought. For the first time, this guide aligns guidance for property protection with the much more familiar Approved Document B. It succinctly and transparently annotates the existing document, providing a practical and easy-to-use shortcut to meeting the requirements of the Building Regulations, your clients and their insurers - all in one book. Co-published by the Fire Protection Association and supported by The RISK Authority (Risk Insight, Strategy and Control Authority) is an annually funded research scheme administered by the FPA and supported by a significant group of UK insurers that conducts research in support of the development and dissemination of best...
