## APSARAS IN HOYSALA ART: A NEW DIMENSION

Aryan Books International, 2009. Hardcover. Condition: New. First edition. Part one is about the dance of apsara, while part two is about the psychological states of awareness levels that are depicted. It is like exploring the external and the internal world of apsaras. Hence, the focus here is on why she is in that particular action or state of mind. The psychological behaviour of an unevolved mind under Rajoguna and how she transforms to 1 sattvik personality through the yoga, of oneness with sound or `nada`-called nadayoga, is the central theme of Part II. The gradual inward progress, that silently unfolds...
