Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.It started with a kiss. just a kiss. He didn't mean for it to happen, but it did. And once it did, it was already too late. Jordan Knight is a successful businessman and a regular at the local Chinese restaurant where he has gotten to know nearly everyone, except this new girl. Her favorite way of passing time seems to be staring at the ceiling. He attempts to strike up a conversation. He feels like he's bothering her at first, but after some time and discussions, they quickly become the best of friends. Nuan Ju Zhang, also known as Becca, is an immigrant from a small Chinese village, who moved to America a while ago and now tries to support her family with the funds she makes from tips. She meets an African American gentleman named Jordan and gets to know him. She finds herself being attracted to this guy more and more each day. It starts to feel like the beginning of something very special, and that feeling keeps on growing day by day. Even if it seems like they're worlds apart, the two eventually become inseparable. They form a bond, and although they don't realize it, they share more in common than they think—a deep love they have never felt before.
