AMAZING GRACE SERIES: REFLECTIONS (PAPERBACK)

Booksurge Publishing, United States, 2010. Paperback. Condition: New. Helena Cornelius (illustrator). Revised. Language: English . Brand New Book ***** Print on Demand *****. Amazing Grace-Book One Reflections Gita Bellin, over four decades has been acknowledged as a pioneer of the Transformation Revolution in human performance and spiritual awareness. In the foreword, The Hon. Michael Kirby writes: Each one of us, as a spark of life, is on an individual journey. Reflecting on the unique capacity of the human species to transfer complex concepts and information from the unpromising physical cells of one brain to another, it is truly amazing that we can find help and solace by occasionally concentrating on words and sentences and translating them into the realities of our own unique lives. This first book in the Amazing Grace Series is a self teaching of this nature. Full of inspiring and motivational ideas, the purpose of this seemingly simple book is to stimulate the flash of insight that comes from deep within our own Being. This book of reflection, focus and contemplation, is designed to stimulate the reader to continually ask questions and find answers.
