Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Why is Rumpelstiltskin never performed as a pantomime? Is it because there s no solid moral? It all begins with a lie; the lie is escalated by greed for gold and even the fairytale marriage is based on the poor miller s daughter being able to provide the King with wealth and not the usual boy-meets-girl, love-at-first-sight plot device. That s why I like it. Because people are not fairytale characters. People really do exaggerate, lie and seek treasure. It has to be said, mind you, in Rumpelstiltskin s case, if you have a grand, master plan that hinges on nobody knowing your name, Don t, I repeat don t, shout it out for anyone to hear. That s just stupid. This pantomime works as well with children and young people as with adults. It s short and sweet and the rhyming couplets are easy to memorise. Please have fun with it.
