Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Scrap Book of the Class of 99 Apologize! In fact, we have to. In endeavoring to produce a book intended primarily as a memento of our college days at Old Hahnemann, the Committee in charge has found trouble, both expected and unexpected. Verily, we have encountered Charybdis and Scylla. We have been drawn into a whirlpool of side issues; we have been swooped down upon by indignant Classmates - and in the meantime the Faculty has supplied us with other distractions demanding occasional attention. We have made mistakes, but they have been unintentional. Perhaps we have slighted some, and have made others unduly prominent. We have displeased some, but hope we have pleased others. Of you all we ask charity in the judgment of this disjointed effort, and trust that you will find in it at least something worthy the memory of our undergraduate work, of each other, and of the men who, by example and by teaching, have so thoroughly laid the foundation of our professional life. Our thanks are due to Classmates and Faculty, whose subscriptions have this book possible. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
