Reviews

This book is fantastic. This is certainly for all those who statte there had not been a really worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Dale Fahey MD)

CHEVROLET BEL AIR (PAPERBACK)

Car Culture, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the tradition of her landmark coffee-table book Roadside America: The Automobile and the American Dream, renowned automotive visionary and award-winning photographer Lucinda Lewis wows lovers of classic automobiles and popular culture with her photographic tribute to one of the world s most iconic automobiles-- the Chevrolet Bel Air. This pictorial essay of the Bel Air car series is a must have book for anyone who appreciates classic American cars. Lewis has selected some of her favorite photographs from the vintage Bel Air series in their natural habitat - the highways and byways of America. The result, Chevrolet Bel Air: Car Culture Classics Volume 1, is a visual feast of chrome-laden Bel Air s and their artistically designed accessories and automotive design features set against the backdrop of roadside America with its gleaming neon-drenched 20th century architecture influenced by the rise of the automobile. You will never look at a Chevrolet Bel Air the same way again.
