Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

Forgotten Books, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from History of Chickasaw and Howard Counties, Iowa, Vol. 2: Illustrated His demonstrated ability as vice president and general manager of the Lake Shore Michigan Southern Railway Company, led by rapid promotion to vice president in charge of operation and maintenance of the New York Central Hudson River Railroad Company, vice president in charge of maintenance and Operation of all the railroads in the Central System; senior vice president in charge of all the departments of the entire System, and president. He had won all these positions through a wide and varied experience, hard work and close study. He was unusually equipped for its great responsibilities when he came to be the executive head of this System with its twelve thousand miles of railroad, extending through nine states and into the Dominion of Canada, and having in its employment one hundred and sixty thousand men. He has kept in harmony while maintaining discipline and efficiency with this great working force. Under his administration the relations have been cordial between the railroads and the people in the territory which it serves. The business of the system has doubled in revenue and tonnage. The vast construction and engineering work in the remodeling and remaking the New York terminal and station has been uninterruptedly carried on, and railway operators at home and abroad have expressed their admiration that difficulties have been so overcome that train service has been maintained, and the electrification of the Central in and about New York carried to completion without delaying or retarding the engineers, architects and contractors. Mr. Brown has been a pioneer in agricultural experiments for the increase of the output of the farms, at the expense of and under...
