

## Jeff Smith s Posing Techniques For Location Portrait Photography (Paperback)

By Jeff Smith

AMHERST MEDIA, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. This comprehensive guide to location portraits teaches the basics of good head-to-toe posing, indoors and out, and shows the classical approaches used throughout photographic history to create a pleasing rendition of the human form. Additional introductory chapters detail the four main posing styles and reveal how to determine which will work best with a subject, their clothing, the location, and the purpose of the portrait. Chapters for advanced photographers highlight the creation of a wide variety of individual and group poses--including ground, seated, head-and-shoulders, and standing--to be utilized in tandem with stairs, rocks, and other architectural and natural elements. A chapter devoted to the essential business skills needed to professionally schedule appointments, work through consultations, manage sessions, and present and deliver final prints is also included.
