By Anthony Boundy

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Most of us know someone with diabetes. This sickness affects more than 150 million people worldwide, and it will grow even more in the future due to the wrong lifestyle we have in our society. It is a sickness with which one learns to live throughout the rest of his life. Don't be afraid; it is absolutely possible to control this problem, live a full life, and have a balanced and diverse food in your daily menu. There are two different types of diabetes which are not managed in the same way, but have many things in common: they affect insulin production or use and thus cause an abnormal level of sugar in the body. Controlling and monitoring of sugar consumption is critical for a diabetic. Proper and balanced food is a real addition to the complex of treatment which comprises of physical activity and medication. Food monitoring helps avoid significant changes in blood sugar and prevent the onset of diabetes complications. Above all, you will be required to have a good knowledge of components of various foods, especially carbohydrates....
