## Conflict and Development

By Eleanor O'Gorman

Zed Books Ltd. Paperback. Book Condition: new. BRAND NEW, Conflict and Development, Eleanor O'Gorman, During the 1990s the drive of liberal peace efforts in the form of humanitarian intervention transformed the ways in which traditional development assistance operated in war and post-war situations. From Somalia and Rwanda to Bosnia and Sri Lanka, conflict, security and development became more intertwined as more integrated programmes and interventions were advocated by the international community. Conflict and Development, whilst serving as an in-depth introduction to key themes and context, questions the extent to which international aid has overreached in seeking to engage more centrally in addressing the causes and consequences of violent conflict. Using this framework, the author traces the evolution of the conflict and development agenda and explores the politics of aid and policymaking in relation to international conflict. By taking a combined approach of theory, policy and practice this vital new book explores and comprehensively explains the impact of conflict on development and vice-versa through the series of concise thematic chapters.

### Reviews

*A whole new eBook with a brand new point of view. It is really simplistic but surprises in the fifty percent of the publication. I am just effortlessly can get a delight of looking at a written ebook.*

-- **Mariano Gleichner**

*These types of ebook is the best book available. It really is written in easy terms instead of hard to understand. You will like just how the article writer create this book.*

-- **Krista Nietzsche Jr.**
