In an age where illumination abounds and knowledge has never been greater or more accessible, there has never been a more intelligent and enlightened generation than this one. But, we've lost sight of what's really important, because our priorities are out of alignment. We're blinded by a blizzard of information and confused by the plethora of distractions and choices available to us. As a result, we adjust and adapt the rules of life and living to suit our needs and lifestyles--often with disastrous results. Confusion and desperation are the byproducts of the culturally rudderless ship that we call society. Has the fruitlessness of your futile search left you feeling disappointed and incomplete? Then this message is for you. The Dream Catcher's message has been revealed so that you can; at last, find direction, purpose, and enrichment in your life. Those who receive this timeless message, learn what makes life worth living everyday. The Dream Catcher's message puts first things first and all things in perspective.
