THE MORAL UNDERGROUND: HOW ORDINARY AMERICANS SUBVERT AN UNFAIR ECONOMY (PAPERBACK)

DOWNLOAD

The New Press, United States, 2011. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Called a fascinating exploration of economic civil disobedience by Publishers Weekly, Lisa Dodson s stunning book The Moral Underground features stories of middle-class managers and professionals who refuse to be complicit in an economy that puts a decent life beyond the reach of the working poor. Whether it s a nurse choosing to treat an uninsured child, a supervisor padding a paycheck, or a restaurant manager sneaking food to a worker s children, these unsung heroes reach across the economic fault line to restore a sense of justice to the working world. This vivid account of working-class America is based on Dodson s eight years of research and conversations with hundreds of Americans about the need to create ethical alternatives to rules that ignore the humanity of working parents and put their children and risk.
