

Hers (Hardback)

By Jacqueline deMontravel

Random House USA Inc, United States, 2011. Hardback. Condition: New. Language: English . Brand New Book. Design your own beautiful sanctuary in any space, with unabashedly feminine style. Whether you are happily single or a mother of four, having a room that pleases you is a common fantasy. After all, what woman doesn't want a modern, romantic, feminine, grown-up space that she can call her own--where she can listen to opera (or eighties music) and engross herself in the pages of Jane Austen (or the latest celebrity gossip)? Hers offers hundreds of stylish ways for creating your own private retreat, even when your bedroom doubles as your living room or when delicate furnishings don't seem compatible with kid-friendly living. With some thoughtful rethinking of your home's layout and some imagination, you can dedicate part of a shared space to your own interests, and Jacqueline deMontravel will show you how. These interiors celebrate the beauty and comfort of feminine design with color, furniture shapes, and attractive accessories. Lose yourself in such imaginative possibilities as: - an old-glamour boudoir complete with a vanity table and a bed piled high with linens - a sophisticated dressing room with a plush...

Reviews

This ebook may be worth a read, and far better than other. It is among the most incredible ebook i have read. You will like the way the article writer publish this publication.

-- **Candace Raynor**

This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.
